

Smiles from the Stars Class

Wow! September has come and gone and here we are in October already! A lot of learning and fun has taken place this month.....learning names, and routines, experiencing new songs, work and art activities, games and celebrating birthdays with new friends. Our Stars Class is full of laughter, excitement and “ah-ha” moments.

Thank you to those who brought in a Family Photo for our “Family Tree”. Be sure and check it out! The children enjoyed weighing and being measured for their “About Me” posters. And we have been working on learning our colors.....in English, Spanish.....and in sign language! Ask them to show you!

October should be a very full month as we explore farm animals and where our food comes from. On the 12th we will have a visit from a friendly hen.....and then make scrambled eggs for snack the next day. A field trip to a pumpkin patch is planned for October 21st. Expect more info to come on that.

We are looking forward to Parent Observations (10/5 – 10/14), please sign up to take a peek at your little one in action. We will try to respectfully to “steer” your child toward your viewing direction, but if that doesn’t happen, please sign up for another time slot!

Happy Birthday to Journey – 10/26 !

~ Ms.Micki, Ms. Neli, and Ms. Tiffany
